HOUSES ^{OF} THE WEEK

Upper East Side \$495,000

Bedrooms: **1** Bathrooms: **1** Square footage: **600**
Maintenance: **\$1,164**

Thanks to “elegant, retractable” French doors, this co-op in a full-service, doorman building on 75th Street feels “spacious.” And thanks to windows throughout, it is “sun-filled” as well. Plus, there’s good storage in the “deep” closets and additional built-ins. **Agent: Frances Katzen, Prudential Douglas Elliman, 212-350-8575**
